

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 2004-339

June 18, 2004

MAINE PUBLIC UTILITIES COMMISSION
Investigation into Central Maine Power Company's
Stranded Cost Revenue Requirements and Rates

PROCEDURAL ORDER

A Notice of Investigation initiating this proceeding was issued by the Commission on June 2, 2004. That Notice provided interested persons with an opportunity to intervene in this matter and also scheduled an initial conference for June 15, 2004. Based on the proceedings at the conference, the following orders are entered.

I. INTERVENTION

The Office of the Public Advocate (OPA), the Industrial Energy Consumer Group (IECG), FPL Energy Maine (FPL), and the Independent Energy Producers of Maine (IEPM) have filed petitions to intervene in this matter. There being no objection and good cause appearing therefore, all such petitions are granted.

II. SCHEDULE AND ISSUES TO BE ADDRESSED

At the case conference, CMP circulated a draft schedule which proposed that this matter be processed in several phases as well as a proposed list of issues to be covered in each of the phases. Copies of CMP's proposed schedule and list of issues are attached as Appendix A and B to this Procedural Order.

After some discussion, it was agreed that CMP's (Phase I) filing in this case will be made on July 23, 2004 and will address the Phase I issues described in CMP's proposal. The parties may comment on the remainder of CMP's proposed schedule and issues by June 21, 2004. CMP may file reply comments by June 28, 2004. A follow-up tele-conference to discuss scheduling issues will be held via the PUC's telebridge¹ on July 7, 2004 at 10:00 a.m.

Dated at Augusta, Maine, this 18th day of June, 2004.
